DEDICATION

Throughout this war-torn world, victory will soon ring out again. With the coming of victory will come the return of war-hardened veterans. Many have already returned, but many hundreds more can be expected in the future.

In recent years, it has been the custom of the Annual Staffs to dedicate their annuals to the boys in the service. But this year we will dedicate the 1945 Kamiakin to the returning war veterans . . . War Veterans of Pullman High School and also the veterans of other high schools who will not receive any mention.

For they, who are typical of America, are the ones who deserve the credit for the victory they have won. We have all helped in our small way to achieve victory, but it is the returning veteran that has witnessed the shedding of blood, endured the fury of battle, and lived to return from the savage combat.

They have won a victory just as they won victories on the fields of friendly strife while in Pullman High School. We must not forget the other heroes; the ones that did not return. We can not repay those deceased heroes directly, but we can indirectly, by paying full honor to those heroes that do return.

Can we make the world a better place for them to live in? Yes, America, we can and we WILL!

The School Board

The strongest link in the school chain is the school board. In the hands of these five citizens of the Pullman District, rest the decisions concerning the schools of Pullman. The board's decisions are for the general good, and it deserves the praise of all the students and townspeople.

Charles A. McGlade

SUPERINTENDENT SPEAKS

Because it also expresses my wish, I give you for my message this year, AMERICA FIRST, in abbreviated form, by Bishop G. Ashton Oldham.

AMERICA FIRST

Not merely in matters material, but in things of the spirit.

Not merely in science, inventions, motors and skyscrapers, but also ideals, principles, character.

Not merely in the calm assertion of rights, but in the glad assumption of duties.

Not flaunting her strength as a giant, but bending in helpfulness over a sick and wounded world.

Not in splendid isolation, but in courageous cooperation.

Not in pride, arrogance and disdain of other races and peoples, but sympathy, love, and understanding.

Not in treading the old, worn, bloody pathway which ends inevitably in chaos and disaster, but in blazing a new trail, along which, please God, other nations will follow.

Some day some nation must take that path . . . and that honor I covet for America.

And so, in that spirit and with these hopes I say with all my heart and soul, "AMERICA FIRST".

Oscar E. Gladish

PRINCIPAL SPEAKS

Good living depends so much upon how we look at things, other people, and at ourselves. The whole world is now trying to emerge from turmoil and live in peace.

May we hope that those of you who go out from Pullman High School will find a world of law and order where "every man shall sit under his own vine and fig tree and none shall make him afraid".

Oscar E. Gladish.

Senior Class

The Class of 1945 has been an active and progressive class, even though its size has been greatly reduced by the many of its boys entering the armed forces.

The class won the Booster Parade in its Freshman year and again when in its Sophomore year. That year, it also sponsored a successful All-Hi Semi-formal Dance. In the Junior year, it sponsored a carnival in which all the home rooms participated. Later that year, it honored the Seniors with a banquet. This year, the class gave an All-Hi play, "Post Road."

Freshmen

The members of this Freshman Class, like those of nearly all Freshman classes, lost the Frosh-Soph Fight. They wouldn't let a little thing like that get them down, though. STUDENT COUNCIL

A strong Student Council gave purpose to our student government this year. Working with Forum, home rooms, and student body, the council has accomplished more than any other section of our government. At the first of the year they established the Athletic Council to handle all athletic business and coordinate that school function with other activities.

If next year's Council can give the students a year as satisfactory and full of accomplishment as the one the Student Council for '44-'45 has given us, Pullman High School will continue to progress.

COUNCIL, Second Semester (left to right): Bill Anderson, Bruce Chambers, Wendell Klossner, Mr. Gladish, Jim Dayton, Bettie Carstens, Patsy Livingston, Don Carver.

FORUM

Stuart Maxwell
President, Second Semester

FIRST ROW: (left to right) Virginia Green, Sally Osborn, Susan Bachelder, Beverly Rima, Betty Webb, Wilma Appel, Violet White, Margaret Helseth, Miss Schultz—adviser.
SECOND ROW: (left to right) June Gillespie, Roberta Tucker, Isabel Hooper, Edie Allert, Laura Lee, Rosemary Morgan, Norma Christensen, Jean Wood, Don Doyle, Dick Brown.
THIRD ROW: (left to right) Ronnie Groth, Duane Wiggins, Emmett Moore, Mark Kimball, Allen Stewart, Al Dunning, Fred Langmas, Dave Armstrong, Lloyd Brenner, Harry Steiner, Stuart Maxwell, William Van Vynck.

The Forum, a group of home room representatives, gives the students a chance to make their own approach to school problems and work out their own solutions in the form of recommendations to the Council or P.H.S.S.A. This is actual experience and training that will benefit students in later life. But the more immediate benefit is to the school; for ideas about student government and school affairs originate and grow in the Forum.

LEFT TO RIGHT: Fred Langmas, Al Dunning, Bob Smawley, Bill Anderson, Wilma Appel, Guynethia Brown, Mr. Carstens —adviser.

Athletic Council

The Athletic Council forms a standing committee of the Executive Council, whose chief functions are to regulate the use of the gymnasium, to handle the receipts and expenditures of the athletic department, and to thoroughly discuss the proposed athletic enterprises of the various organizations. By a careful handling of these duties, the Athletic Council is able to reduce the discussion of athletic problems in the Executive Council.

SOCIAL COMMITTEE

This year Janis Johnson and Bob Schoen are representing the students of Pullman High School at the meetings of the Social Committee. This committee is composed of the following: Janis Johnson and Bob Schoen, student representatives; Miss Corcoran and Mr. Gladish, faculty representatives; Reverend Lincoln B. Wirt, representative of the Ministerial Association; and Mr. McGlade, chairman of the committee.

BUD CAINE
Chairman, First 24 weeks

Student Control Committee

LLOYD BRENNER
Chairman, Last 12 weeks

SEATED: Don Munden, Barbara Bristol, Duane Wiggins, Lloyd Brenner, Betty Wickliffe, Richard Webb, Ronnie Groth.
STANDING: Tom Blankenship, Tom Boone, Harold Nelson, Richard Morrison, Bob Knott, Barbara Crabtree, Gary Groth, Miss MacGregor—adviser, Freda Jennings.

Bud Caine (two terms) and Lloyd Brenner (one term) headed our Student Control Committee for another successful year. Both committees have been competent in handling problems of discipline throughout the school. They have made careful use of precedents set by former committees and have met new problems with open-mindedness and justice.

We have reason to be proud of the two committees who have given our school a dependable and unprejudiced enforcement of one branch of our student government.

FIRE PATROL

FIRST ROW: Bob Schoen, Dave Armstrong, Jack Arnold, Mr. Carstens—adviser.

SECOND ROW: Ronnie Groth, Mardelle Davis, Merlin McCroskey.

THIRD ROW: Duane Wiggins, Wendell Klossner, Sam Langmas, Nora Sullivan.

The Fire Patrol was started in 1938. Interest began in the Forum, but it was 1940 before a working organization was established. This year's Patrol has smoothed out flaws in the evacuation plan and assigned its members to fire drill posts throughout the building. The Patrol is a permanent organization that protects the students in case of fire and helps our school meet strict standards of safety precautions.

ADVERTISING COMMITTEE

FIRST ROW: Violet White, Janice Samuelson, Miss MacGregor—adviser.

SECOND ROW: Marien Glover, Pat Nelson, Eloise Larson.

The Advertising Committee was created by the Council in 1941. Its purpose is to advertise all athletic events and activities sponsored by the different organizations of the school.

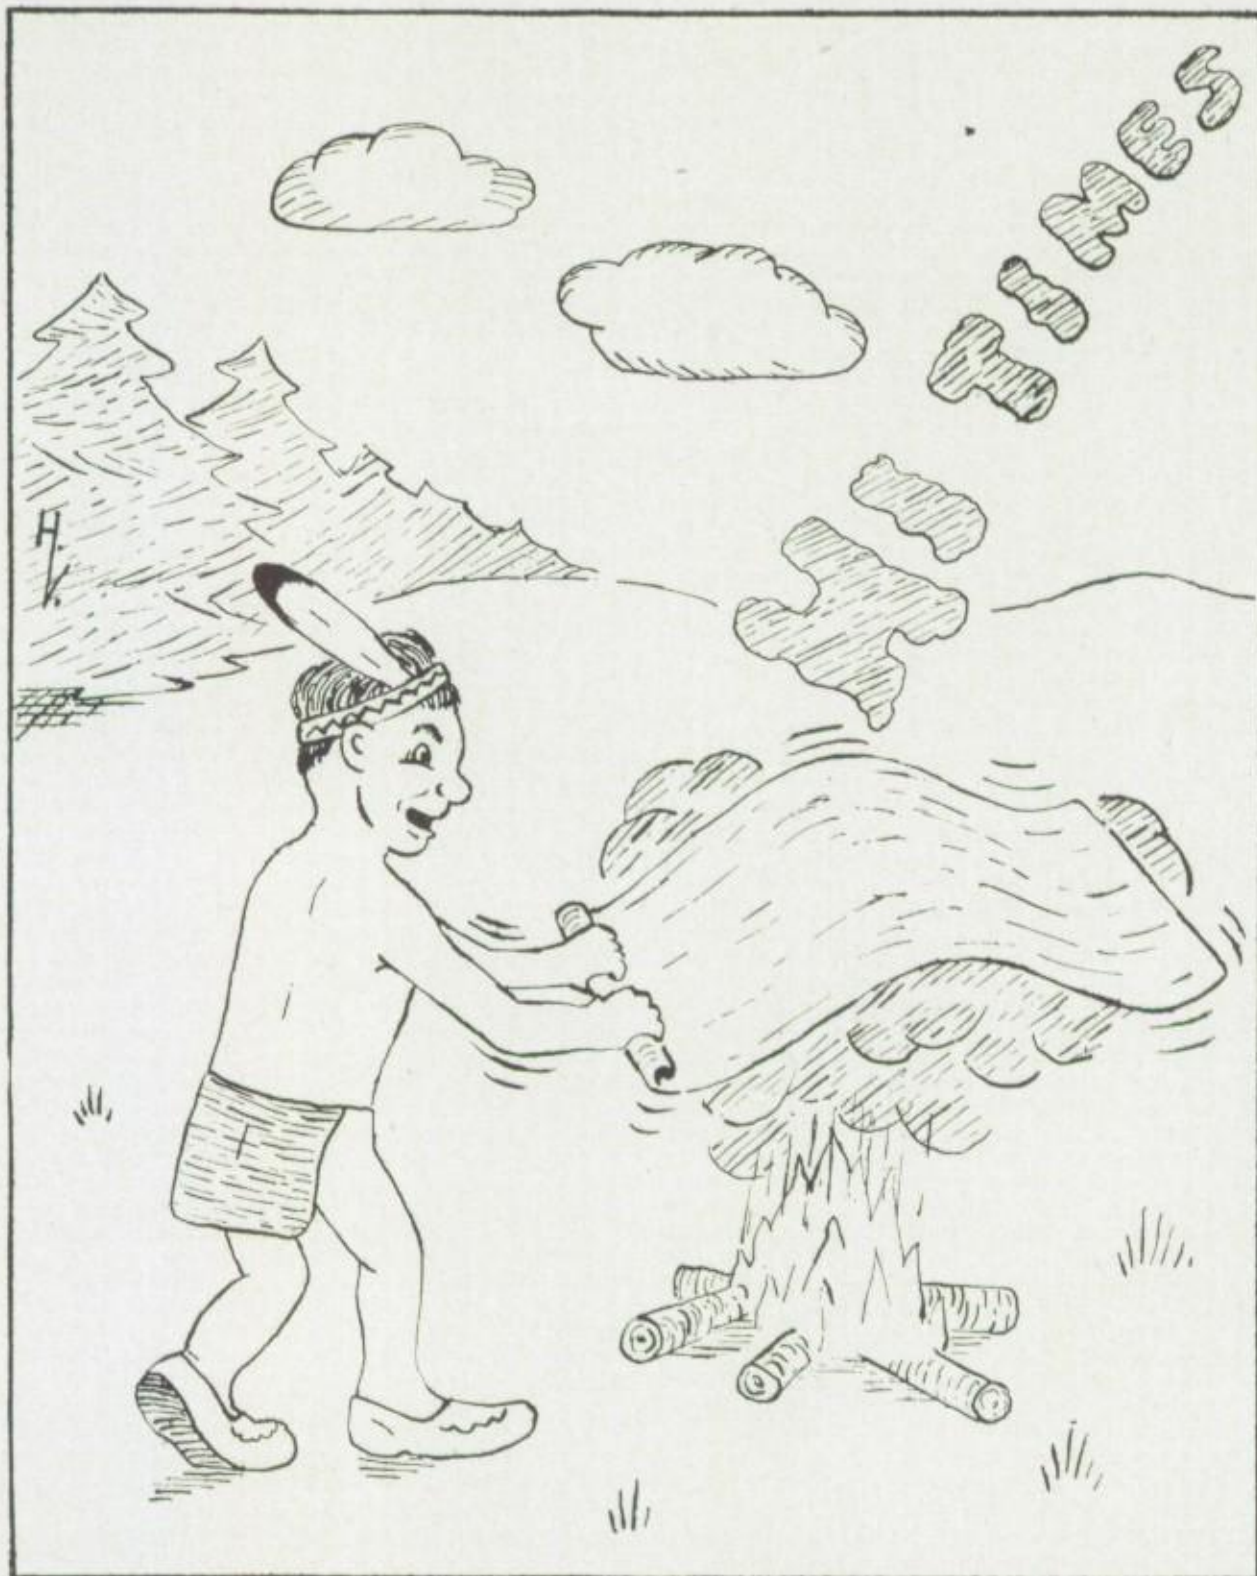

COMMITTEE OF THE WHOLE HOUSE

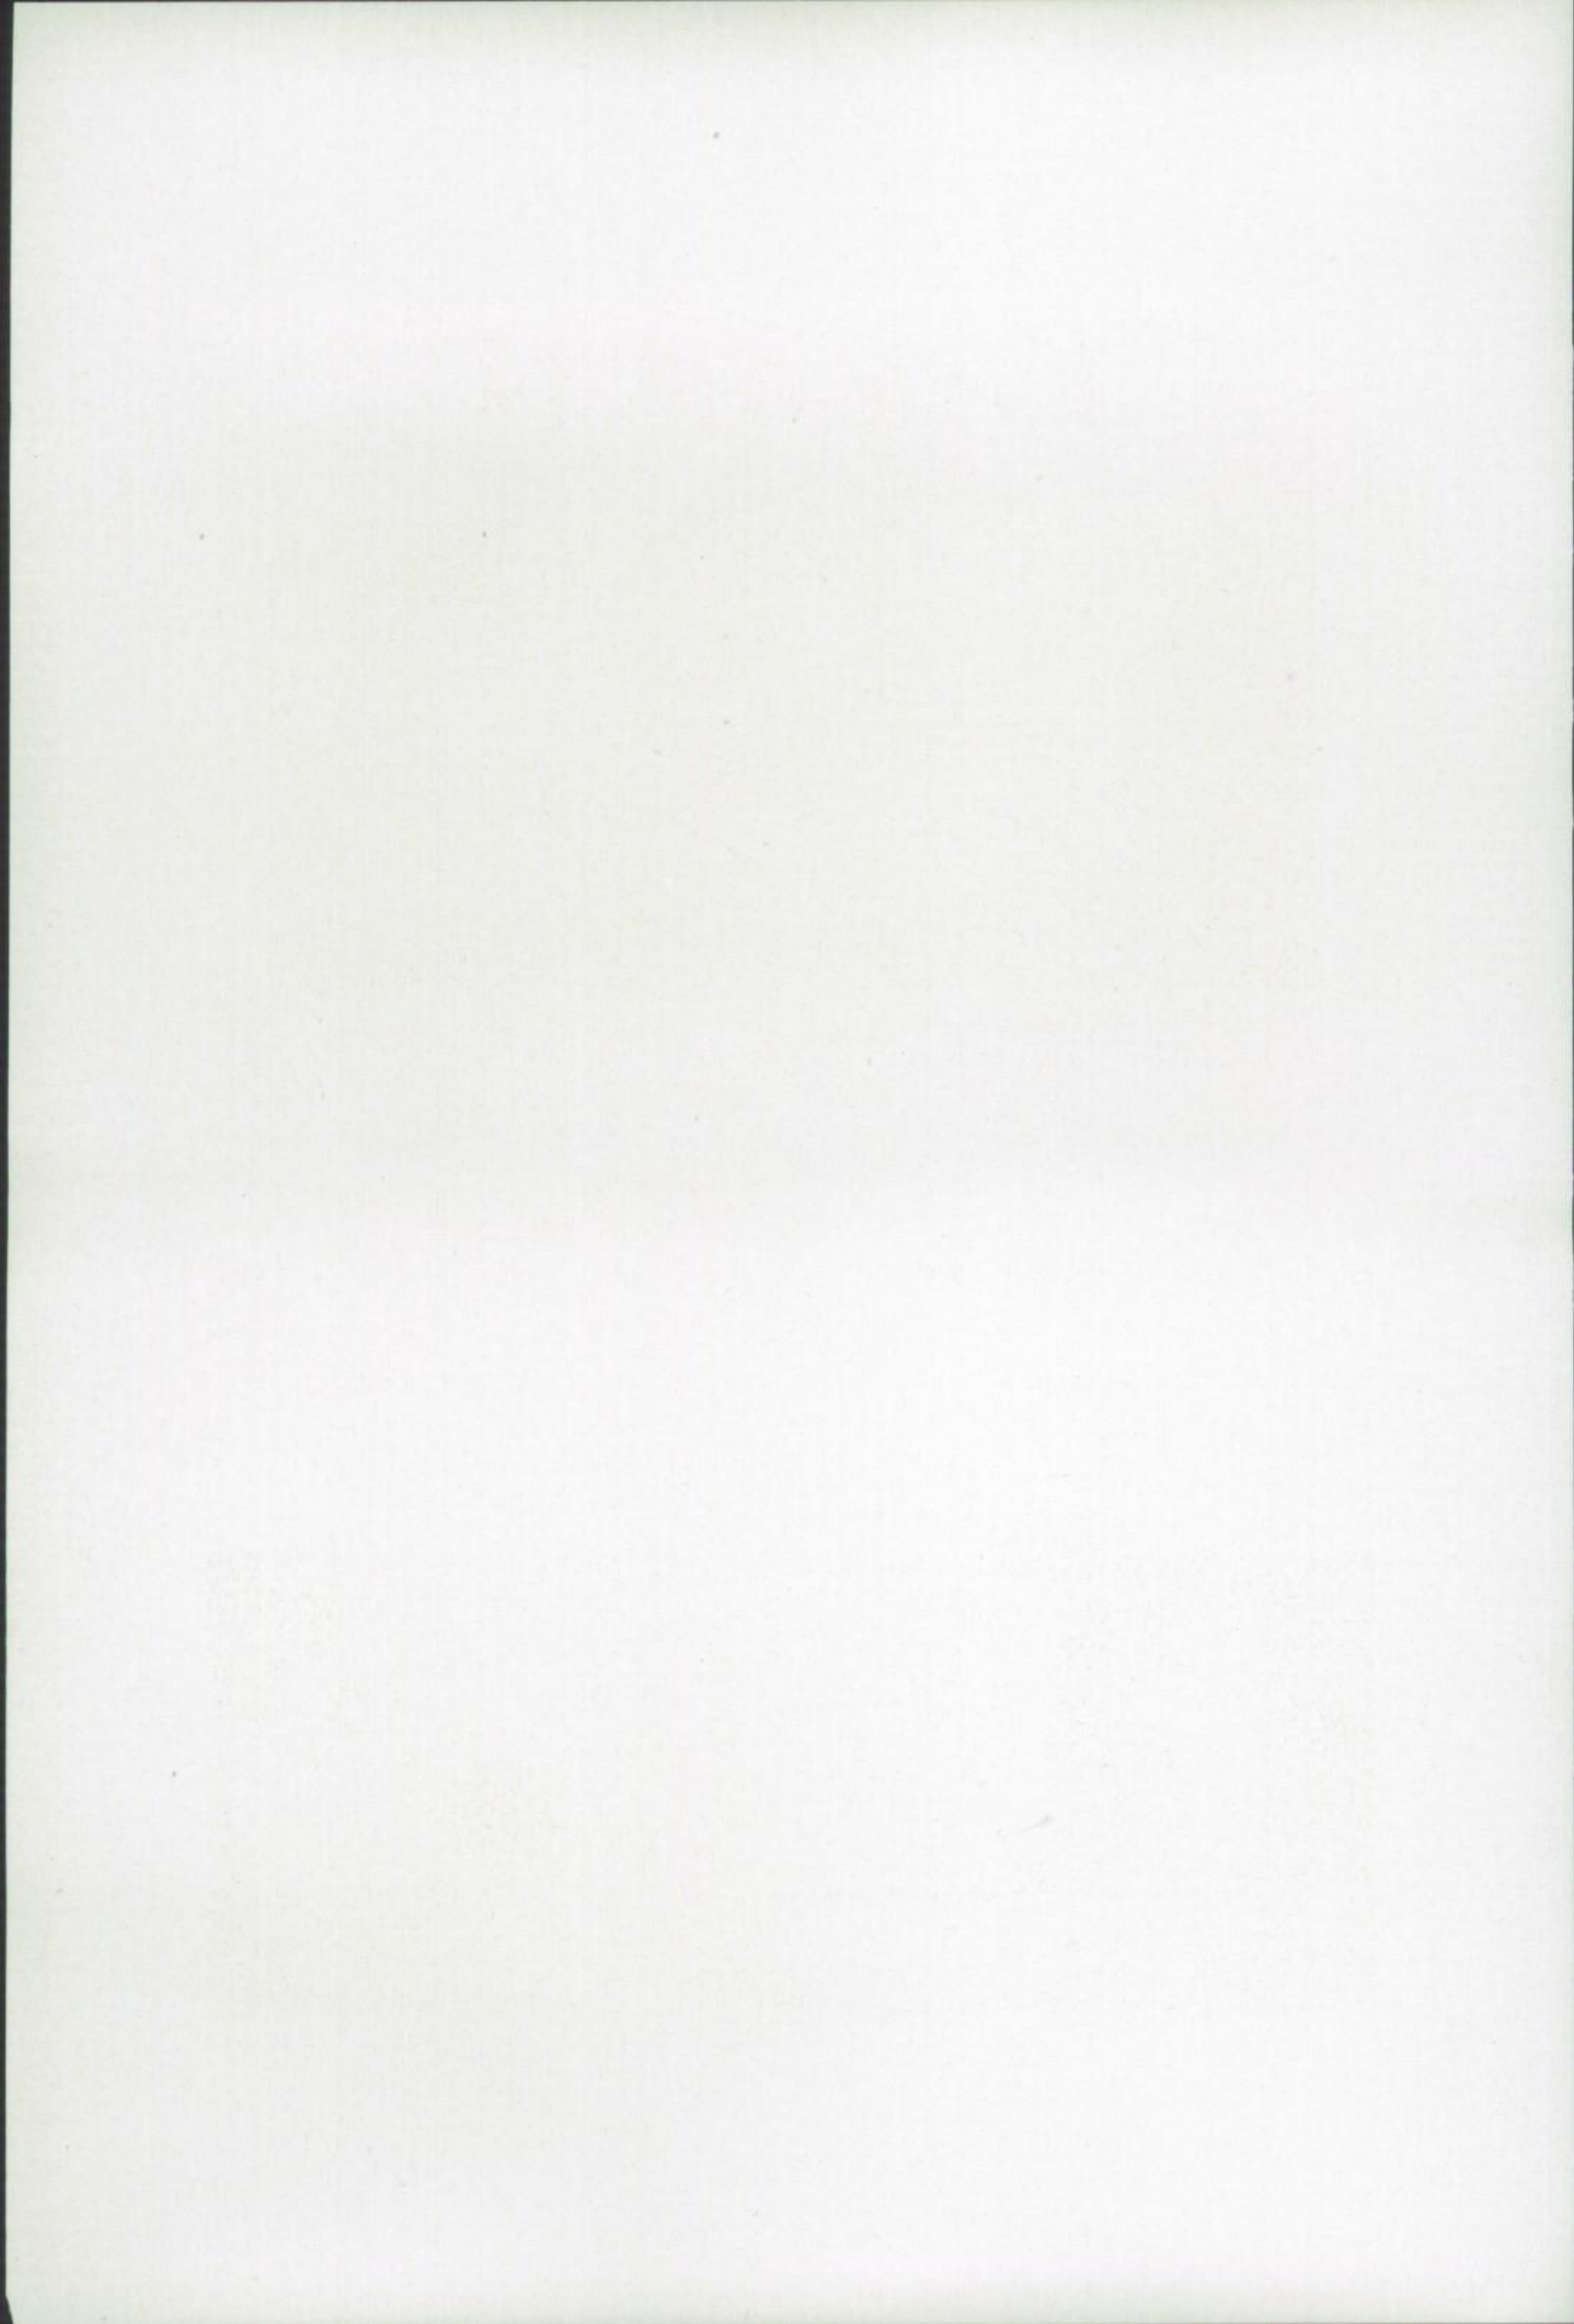

The Committee of the Whole House is to the Student Association as the safety valve is to the steam boiler. It provides a place for students to "blow off steam" in an informal meeting. The Committee of the Whole House is composed of the entire student body. The first order of business is the reading of the Council and Forum minutes so that everyone may know what is going on, and be able to ask for information or express an opinion.

Each problem is thoroughly discussed, but no legislation can be voted. The Committee may, however, pass resolutions expressing its sentiments on the issues considered. This Committee not only prevents hasty legislative action, but also gives the Council a preview of student sentiment.

The Hi Times, managed this year by a competent staff, a willing crew of reporters and enthusiastically advised by Mr. Gross, has upheld the high standards of former P.H.S. journalists.

The paper, published every two weeks, covered in true journalistic style events pertaining to all school affairs. This year it boasted a greater number of cuts than in years past and the staff made a conscientious effort to discover more effective and pleasing page layouts.

The Hi Times became a member of the National Scholastic Press Association. Also it now carries the Quill and Scroll insignia on the masthead, which indicate the forward steps taken to improve the national standing of our paper with other high school publications.

HENRIETTA ALLERT

President, Girls' Federation

THE GIRLS' FEDERATION

The Girls' Federation represents every girl in Pullman High School. It is an efficient, well organized group under the direction of an understanding adviser and a capable cabinet.

The outstanding events carried on during the school year were the Mothers' Tea, the All-High Dance, the Father-Daughter Potluck Supper, the Big Sister Movement, and the exchange dinners with neighboring schools, including a Tri-City Conference.

The Federation fills a definite need in the school and has proved to be a most successful organization.

The plot centers around the maid of a New England family who has in her possession some valuable paintings, their value unknown to her. Five unscrupulous characters try to swindle her and get the paintings. In the end she realizes the financial, as well as the sentimental, value of the paintings, outwits the others, and keeps the paintings for herself.

FOOTBALL

LINE: Hugh Allen, Bud Caine, Bob Knott, Dan Boone, Don Carver, Jim Berger, Bob Smawley.
BACKFIELD: Bob Schoen, Davy Brown, Jim Dayton, Keith Osborn.

OUR TEAM

This year the Pullman High School football team topped their record of recent years in winning seven of their nine tussles and placing third in the Bi-State League.

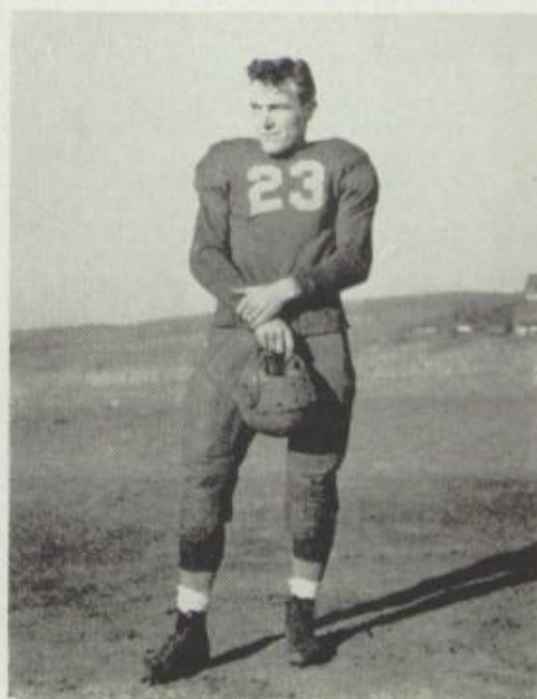

The Blue and Gray gridsters placed three players, fullback and signal caller Jim Dayton, end Hugh Allen, and tackle Bud Caine on the Bi-State League team. Don Carver, the Greyhounds' pivot man, and speedy halfback Keith Osborn, placed on the second team and wingback Bob Schoen received honorable mention.

CAPTAINS

Leading their teammates on the football field to seven victories was the accomplishment of Captain Jim Dayton and Co-captain Hugh Allen. Both Jim and Hugh received a first team position on the Bi-State League Squad. The captains showed calmness and smart thinking, and thereby helped the Hounds successfully out of numerous holes.

Coach Mattila

Our Coach

Coach Bob Mattila led his charges on to better than average seasons during the 1944 track and football seasons and the '44-'45 hoop session. In his third year as football coach and second in basketball, our coach did a fine job developing and encouraging a sense of teamwork and good sportsmanship. The quality and spark of his teams helped to set an all-time record for booster ticket sales in Pullman this year.

FIRST ROW: Dave Armstrong, Kenneth Lowery, Stuart Maxwell, Dan Boone, Jim Berger, Richard Morrison, Lloyd Brenner, Tom Yoder, Bob Schoen, Jerry Blankenship.
 SECOND ROW: Don Doyle, Davy Brown, Louis Brannon, Bill Mizuki, Gordon Fletcher, Keith Osborn, Wendell Klossner.
 THIRD ROW: Don Carver, Bob Smawley, Hugh Allen, Coach Mattila, Tom Blankenship, Jim Dayton, Bud Caine, Bob Knott, Fred Langmas.

Grid Summary

The Greyhounds clambered through their most successful football season in recent years last fall. Running through the nine game schedule, which was no cinch, the Blue and Grey banner-bearers won all but two of these. For two consecutive years, the Hounds have not allowed their opponents more than two touchdowns in a single game. This is a record to be proud of.

The P.H.S. eleven opened its season by losing to the Bi-State Champions, the Clarkston Bantams, 13-7. The next four games were shut-outs with Pullman rolling over Dayton 19-0, Colfax 14-0, our arch-rivals, the Moscow Bears, in the homecoming game 20-0, and again downing the Colfax Bulldogs 20-0. Then Potlatch went through the Greyhound meat grinder to the tune of a 50-6 defeat. The team received its only serious set-back of the season in its game with the Lewiston Bengals, which determined the challenger of the Clarkston squad for the Bi-State title. The Greyhounds took on the Coeur d'Alene Vikings, North Idaho champs, in the big outside game. The P.H.S. boys upset their new opponents on the Viking field in this game 6-0. Winding up the session, the Blue and Grey gridsters racked up a 34-0 triumph over the Pomeroy Pirates.

FOOTBALL MANAGERS

Bruce Chambers, Jack Arnold, Emmett Moore

The P.H.S. grid machine was aided on its road to glory by three efficient managers, Jack Arnold, senior manager and Bruce Chambers and Emmett Moore, junior managers. These boys had no easy job taking care of the equipment and distributing it. They were always on the job before the games to prepare the field, and during the games with the tape and water buckets.

PIGSKIN PARADE

HUGH ALLEN—End—This was Hugh's first year at end, where he switched from his former tackle post, and he did a grand job in winning an All-Bi-State League post at that position. He was the best place-kicker in the league, kicking 15 out of 22 points after touchdown.

BOB SMAWLEY—End—Bob took over the end position opposite that of Hugh and stood out with his charging speed which broke up many opposing plays before they could start. He'll be back in the end slot next year and will be a formidable obstacle to P.H.S. opponents.

BUD CAINE—Tackle—Bud was back again with his 210 pounds at tackle booming through the opposing line. He repeated his earning of a first string tackle position on the All-Bi-State League team this year.

BOB KNOTT—Tackle—A sub last year, "Woody" earned himself a spot on the starting Greyhound line this year. His weight formed a bulwark for the generally light, but speedy, P.H.S. line.

LOUIS BRANNON—Tackle—Louis was another bulwork in the Greyhound line and he'll be back next year to give experience to the tackle spot which will be vacated by Bud and "Woody."

TOM BLANKENSHIP—Guard—A newcomer to the guard post, Tom proved what a good mixture of bulk and speed can do in breaking up opposing plays. He'll be a nightmare to other guards in the region next year.

DICK MORRISON—Guard—Another of the Hound sophomore guards, Dick used his weight to good advantage in keeping our adversaries out of the P.H.S. backfield.

JIM BERGER—Guard—The third of the sophomore guards who alternated in the starting guard spot, Jim was light but fast. He will help make the grid picture at guard look good next year.

DAN BOONE—Guard—Dan switched with the three sophomores at guard and saw plenty of action whether he was a starter or a sub. His swiftness hampered opponents' ball carriers.

DON CARVER—Center—One of the juniors to win a second string post on the All-Bi-State League football, Don, who played almost the entire 60 minutes in several games, stood out at center in his first year on the first team.

JIM DAYTON—Back—Jim has been the P.H.S. backfield foursome for three years in a row, calling the signals and piling up large gains and many points. He won a first team position on the All-Bi-State League grid team during both his junior and senior years.

BASKETBALL

FIRST ROW: Jim Dayton, Lloyd Brenner, Don Carver, Bob Smawley, Richard Morrison.

SECOND ROW: Coach Mattila, Bruce Chambers, Virgil Dixon, Keith Osborn, Frank Jacobs.

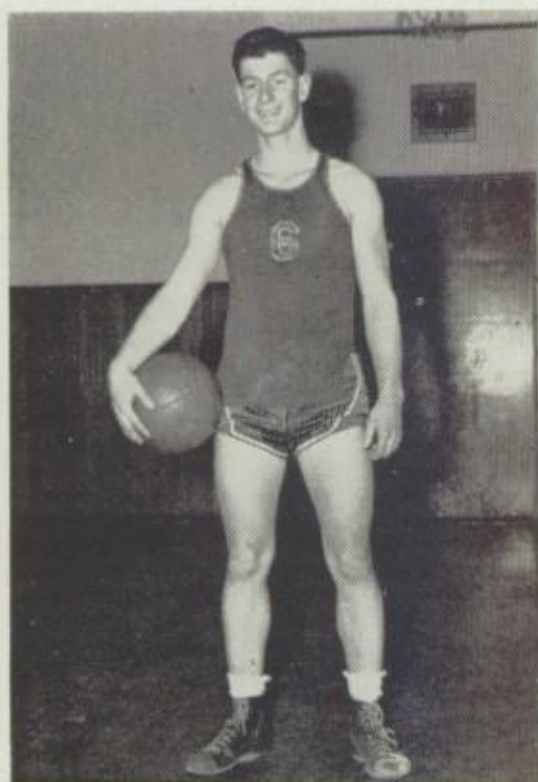

SEASON'S ROUNDUP

The Greyhound cagers wound up the 1944-45 basketball season with a record of 11 wins and an identical number of defeats. Bob Mattila's hoop five was again handicapped by its height deficiency, but the sharp-shooting ability of its members made up for it.

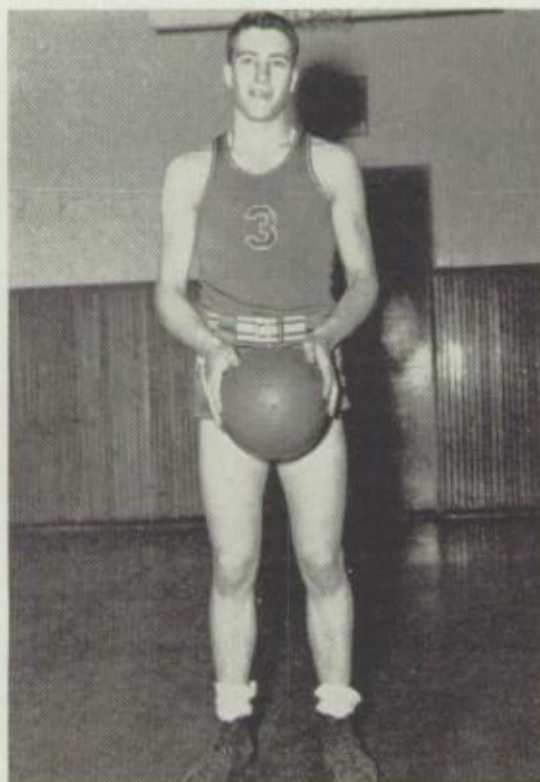

After an absence of one year from the County Tournament, the Hounds regained their right to a spot in this tourney. The winning of two out of three games in the county tourney earned the Hounds a place in the District meet. They were dropped in the first game by the District Champs, the Walla Walla Blue Devils.

The starting lineup was made up of four juniors and one senior throughout the year, with senior, Bob Foster, and junior, Virgil Dixon as top substitutes.

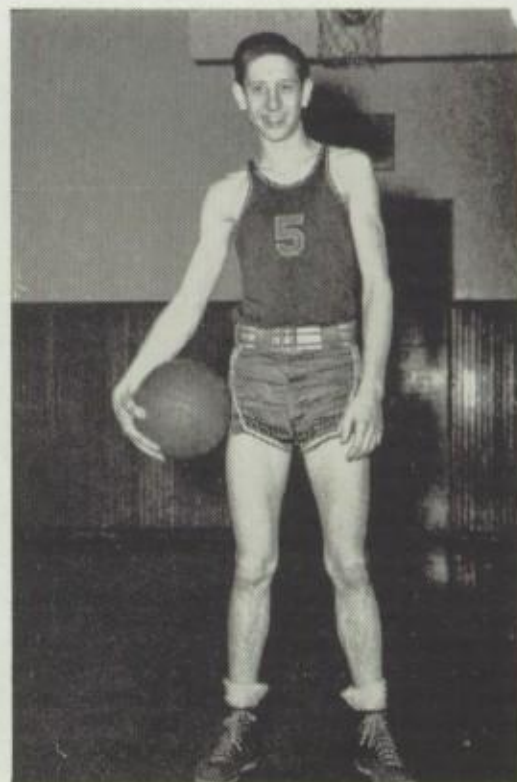

Next year the squad should have experience despite the fact that it will be minus high-scoring Keith Osborn, and Bob Schoen, who would undoubtedly be a first-stringer next year.

CAGERS CORNER

JIM DAYTON—For the third straight year Jim was a first stringer, and among the top three scorers of the P.H.S. cagers. This year he was a consistent scorer throughout the season and proved a valuable asset with his 108 point total.

KEITH OSBORN—Keith topped all individual scoring totals in recent years at Pullman as he piled in a grand 22 game total of 226 points. Although he was only a junior, because of his leaving after the hoop season for Corvallis, Ore., next year's team will be minus a star scorer.

LLOYD BRENNER—Squeezing in for second place on the scoring list after a slow start Lloyd finished the year with 124 counters. He'll be back to roll in more for the Greyhounds of '45-'46.

DON CARVER—Playing along side Lloyd Brenner at a forward post, Don's height helped the Hound's below-average-height team to 11 triumphs. Don sank 36 goals from the floor and 14 free shots for 86 points. He'll be on hand next year.

BOB SMAWLEY—The fifth of the Blue and Gray first five, Bob used his 6 feet to good advantage in snagging rebounds. He completed the schedule with an identical field goal and free throw total as Don Carver for 86 points. The center slot will again be open to him next year.

BOB FOSTER—Until he left with his 6 feet for the Navy in midseason, Bob shared a starting position with the regular five. He was tops in taking the ball off the backboard and added 18 points to the Greyhound total.

VIRGIL DIXON—"Slick" was number 1 substitute of P.H.S. this season. He played almost as much as the first team and dropped in 39 points for the season. Next year he will undoubtedly earn a place on the starting team.

BOB SCHOEN—Bob, although out two weeks in the middle of the season, came back in the late games and in the tournament tilts in which he was used as a sub considerably. His being in Pullman next season is questionable.

BRUCE CHAMBERS—Bruce, all 5 feet, 4 inches of him, did a splendid ball-handling job when he was used regularly as a substitute all season. Besides being a first string sub he played an important role on the B squad.

B SQUAD

This year's B Squad played an abbreviated season of only eight games, but nevertheless, turned in four victories. They licked the B teams from Potlatch and Lewiston, each twice, and dropped two decisions each to the Colfax Bullpups, and the Moscow Cubs. A little more experience and our B Squad would have been tops. Freshman, Al Hatley, high scorer, and the Sophomores on the squad showed that they can take their places on A Squad subs or on an improved B Squad next year.

MANAGERS
TOM BOONE,
RICHARD MORRISON

Basketball Managers

The boys who have the trying job of keeping the suits straight, the floor clean, and the score books straight, but who get little glory, did a commendable job this year. Richard Morrison was senior manager, and Tom Boone and Franklin Jacobs were the junior managers.

FIRST ROW: Harvey Barton, Tom Boone, Jim Berger, Tom Blankenship, Kenneth Purnell, Merlin McCroskey.

1945 TRACK TEAM

In the coming 1945 track season the prospects are comprised mostly of a rollicking bunch of underclassmen; since only three senior lettermen were on hand this year. They are: Tom Yoder, Bud Caine and Jim Dayton, all-around utility men.

This year, Pullman's outlook is strong for the weight events, hurdles, and the middle distance running. This year's Greyhounds are thought to be weak in respect to the dashes, pole vault, and javeline, because experience needed in these events is lacking.

Pullman just could not seem to get their share of the firsts in the initial track meet at Moscow, as they garnered 25 points for third place. Colfax with 79½ points, and Moscow with 46½ points, were first and second, respectively. Yoder, Dayton, Caine, and Lebold, were Pullman harriers that placed in this meet.

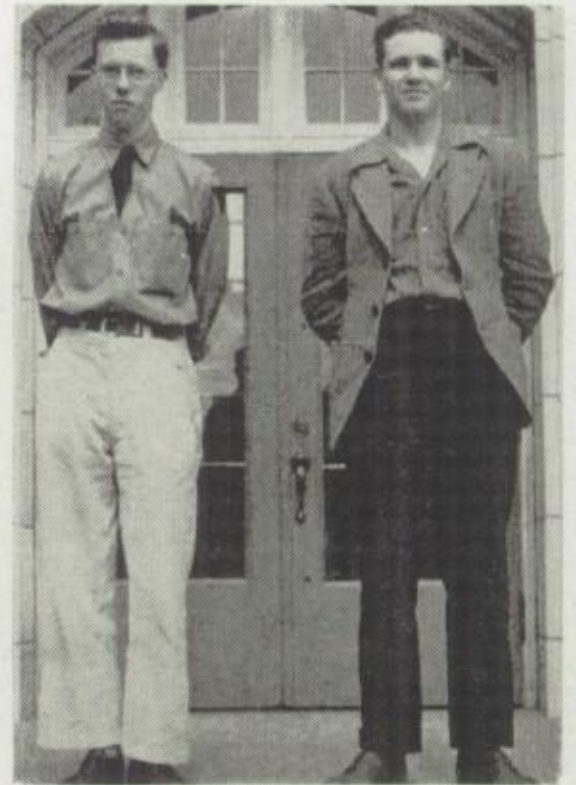

The team is expected to show great improvement in preparation for the Bi-State and County meets.

TRACK MANAGERS

The responsibility of handling all track equipment and uniforms rests on the track managers. Helping the officials and the coach keep records of the events is another duty of the managers.

This year, Rodger Sayles was track custodian during sixth period, and Jerry Simpson was the manager after school.

Thanks a lot fellows, we know you worked hard.

1944 Track Summary

Now we come to Coach Mattila's pride and joy, track; year after year he turns out new potential champions.

In 1944, the Greyhounds bounced into action as they swept over Moscow 62 to 60 in a very close dual meet. Pullman snatched most of the field events, while Moscow took most of the running contests.

Pullman harriers won third place in the annual Bi State meet, and were edged out by 1/6 point in a close race for second place with Moscow. Some of the outstanding Greyhound thinclads in this meet were: Shrope who won the pole vault; Caine who took the shotput; and Jacobson who won the 880 yard run. Norman Vincent tied for second on the pole vault. Shrope placed second in the javelin. Luher took third in the low hurdles and Yoder sliced in for third in the 440. In the discus, Dayton took second, and Luher grabbed third. Keith Osborn tied for third in the pole vault.

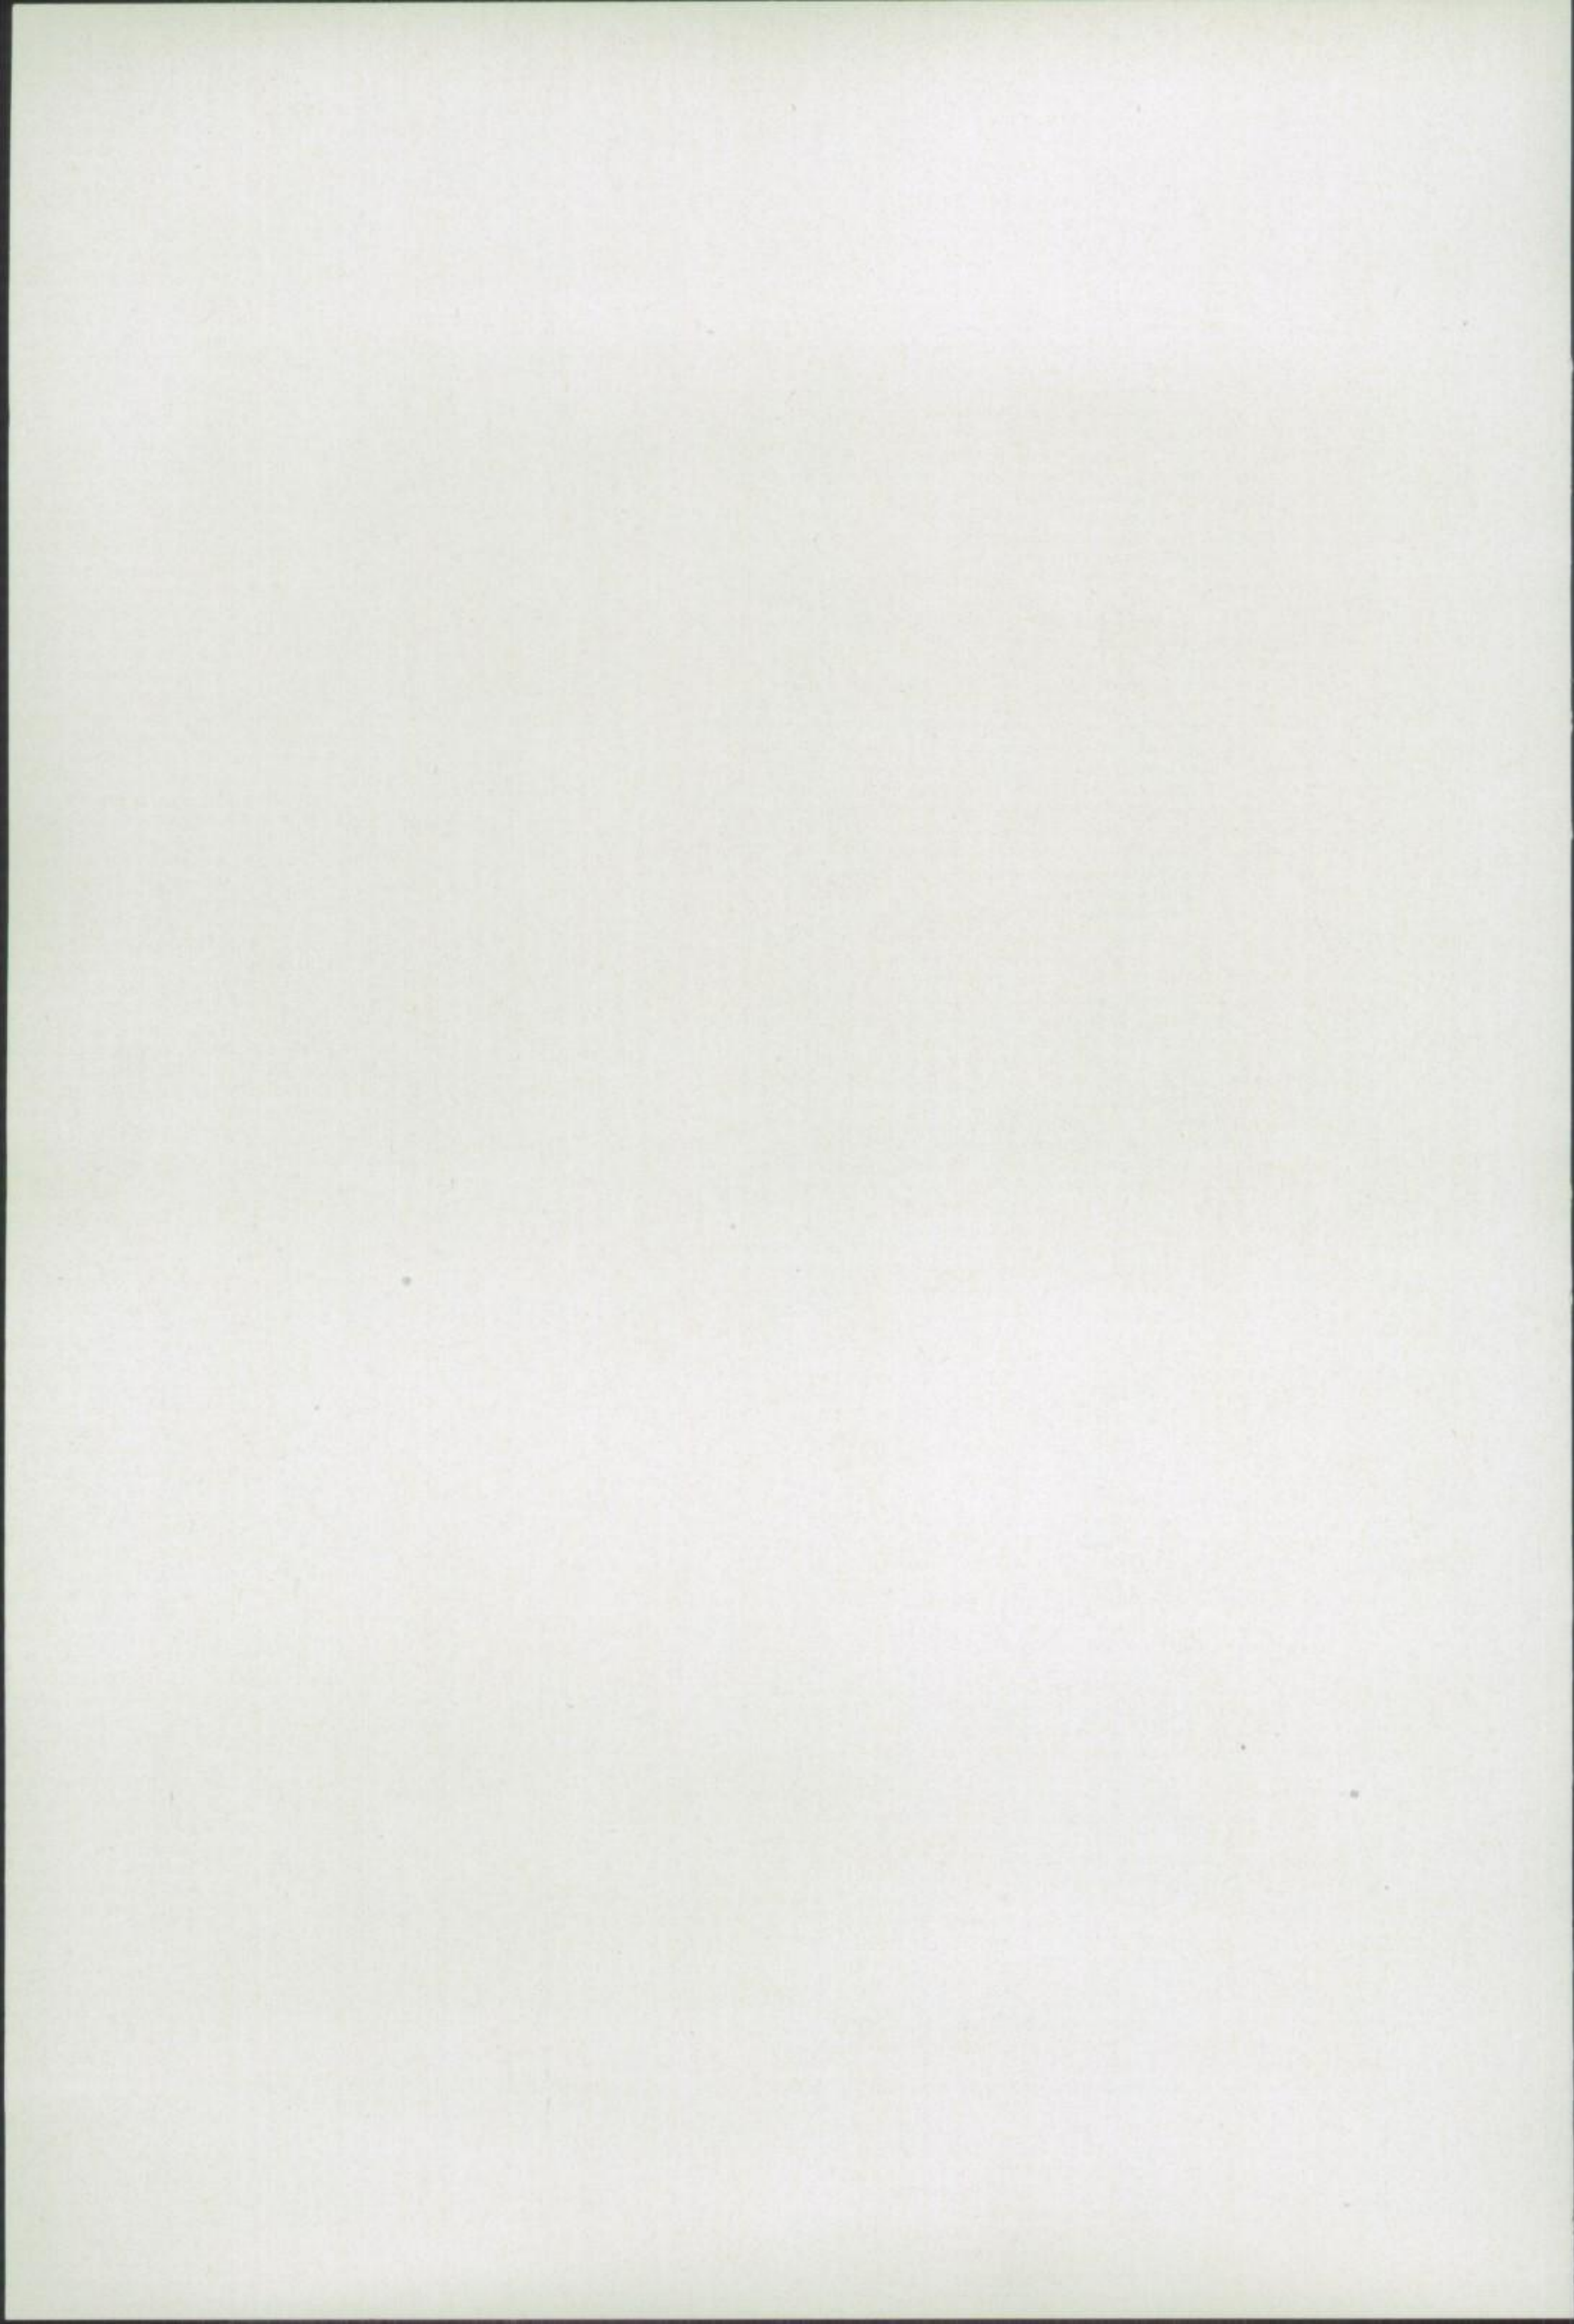

Stan Jacobson, Bud Caine, and Jack Luher were the Pullman thinclads who emerged victorious in the district, but they failed to place in the state.

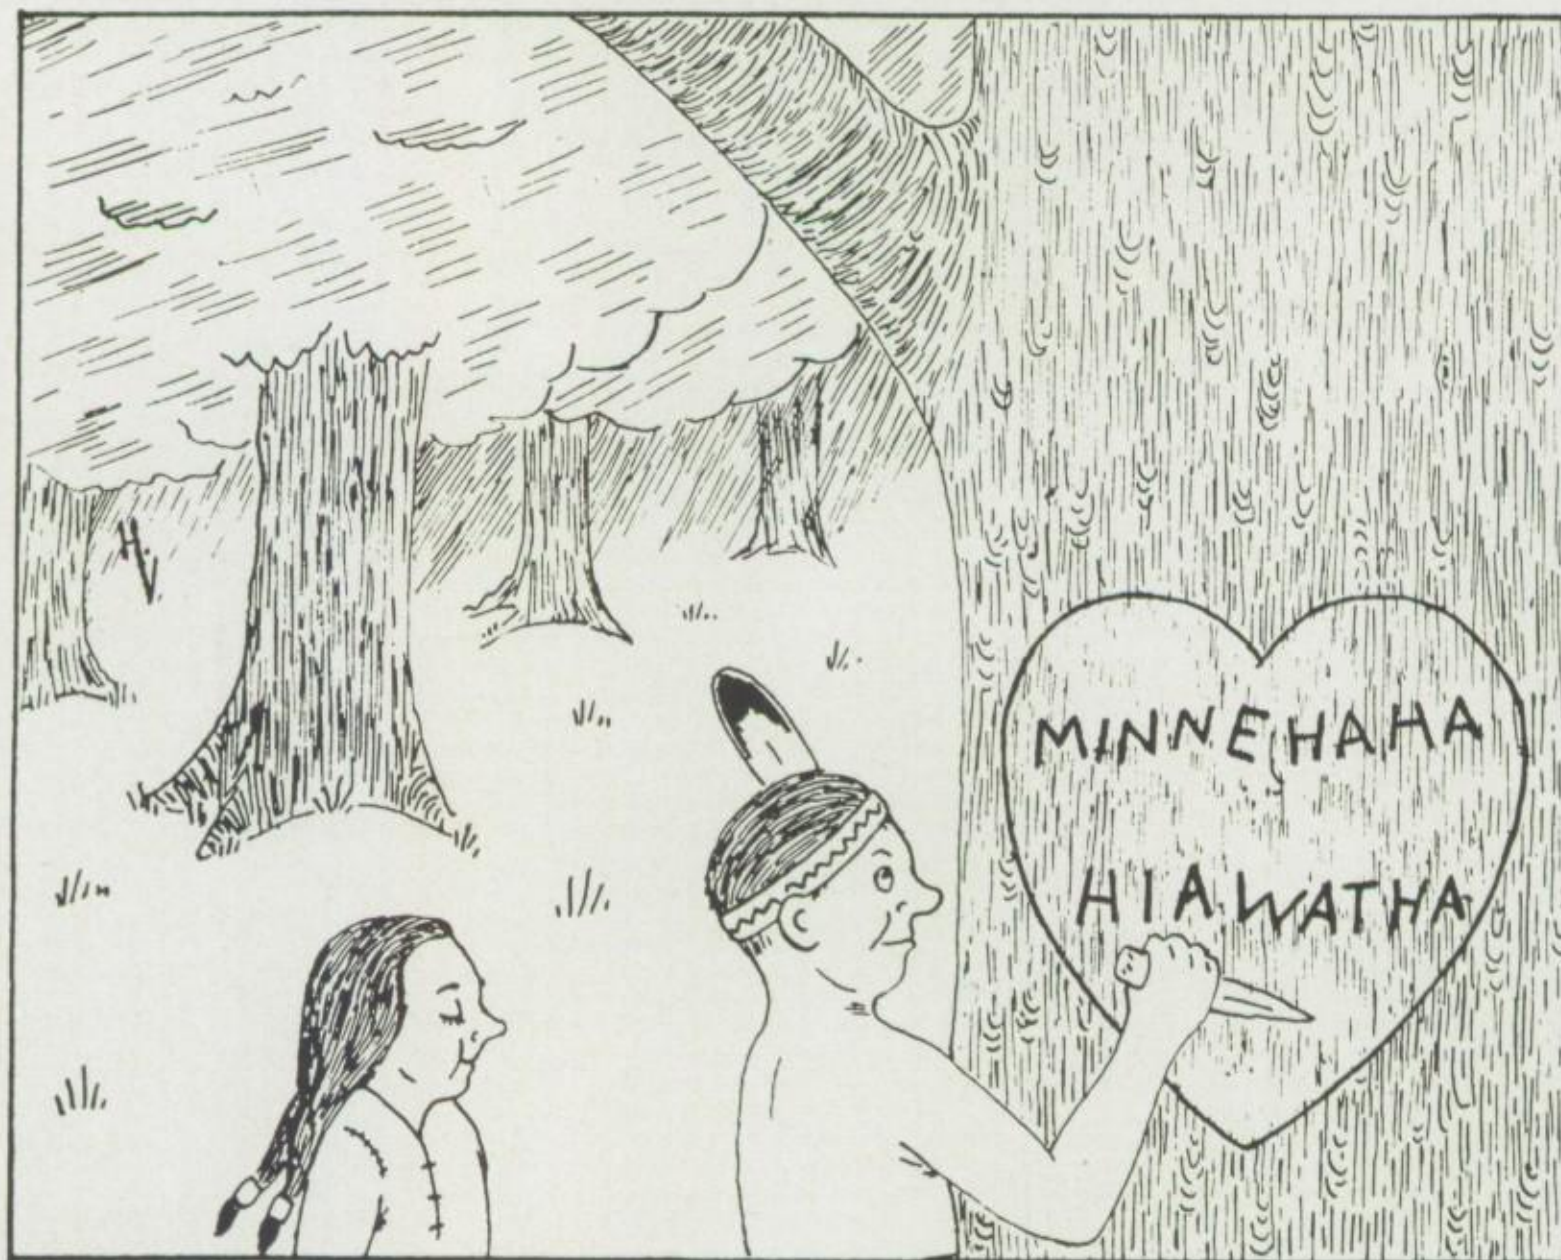

1. They didn't win.
2. Hard working (?) managers.
3. Make it!

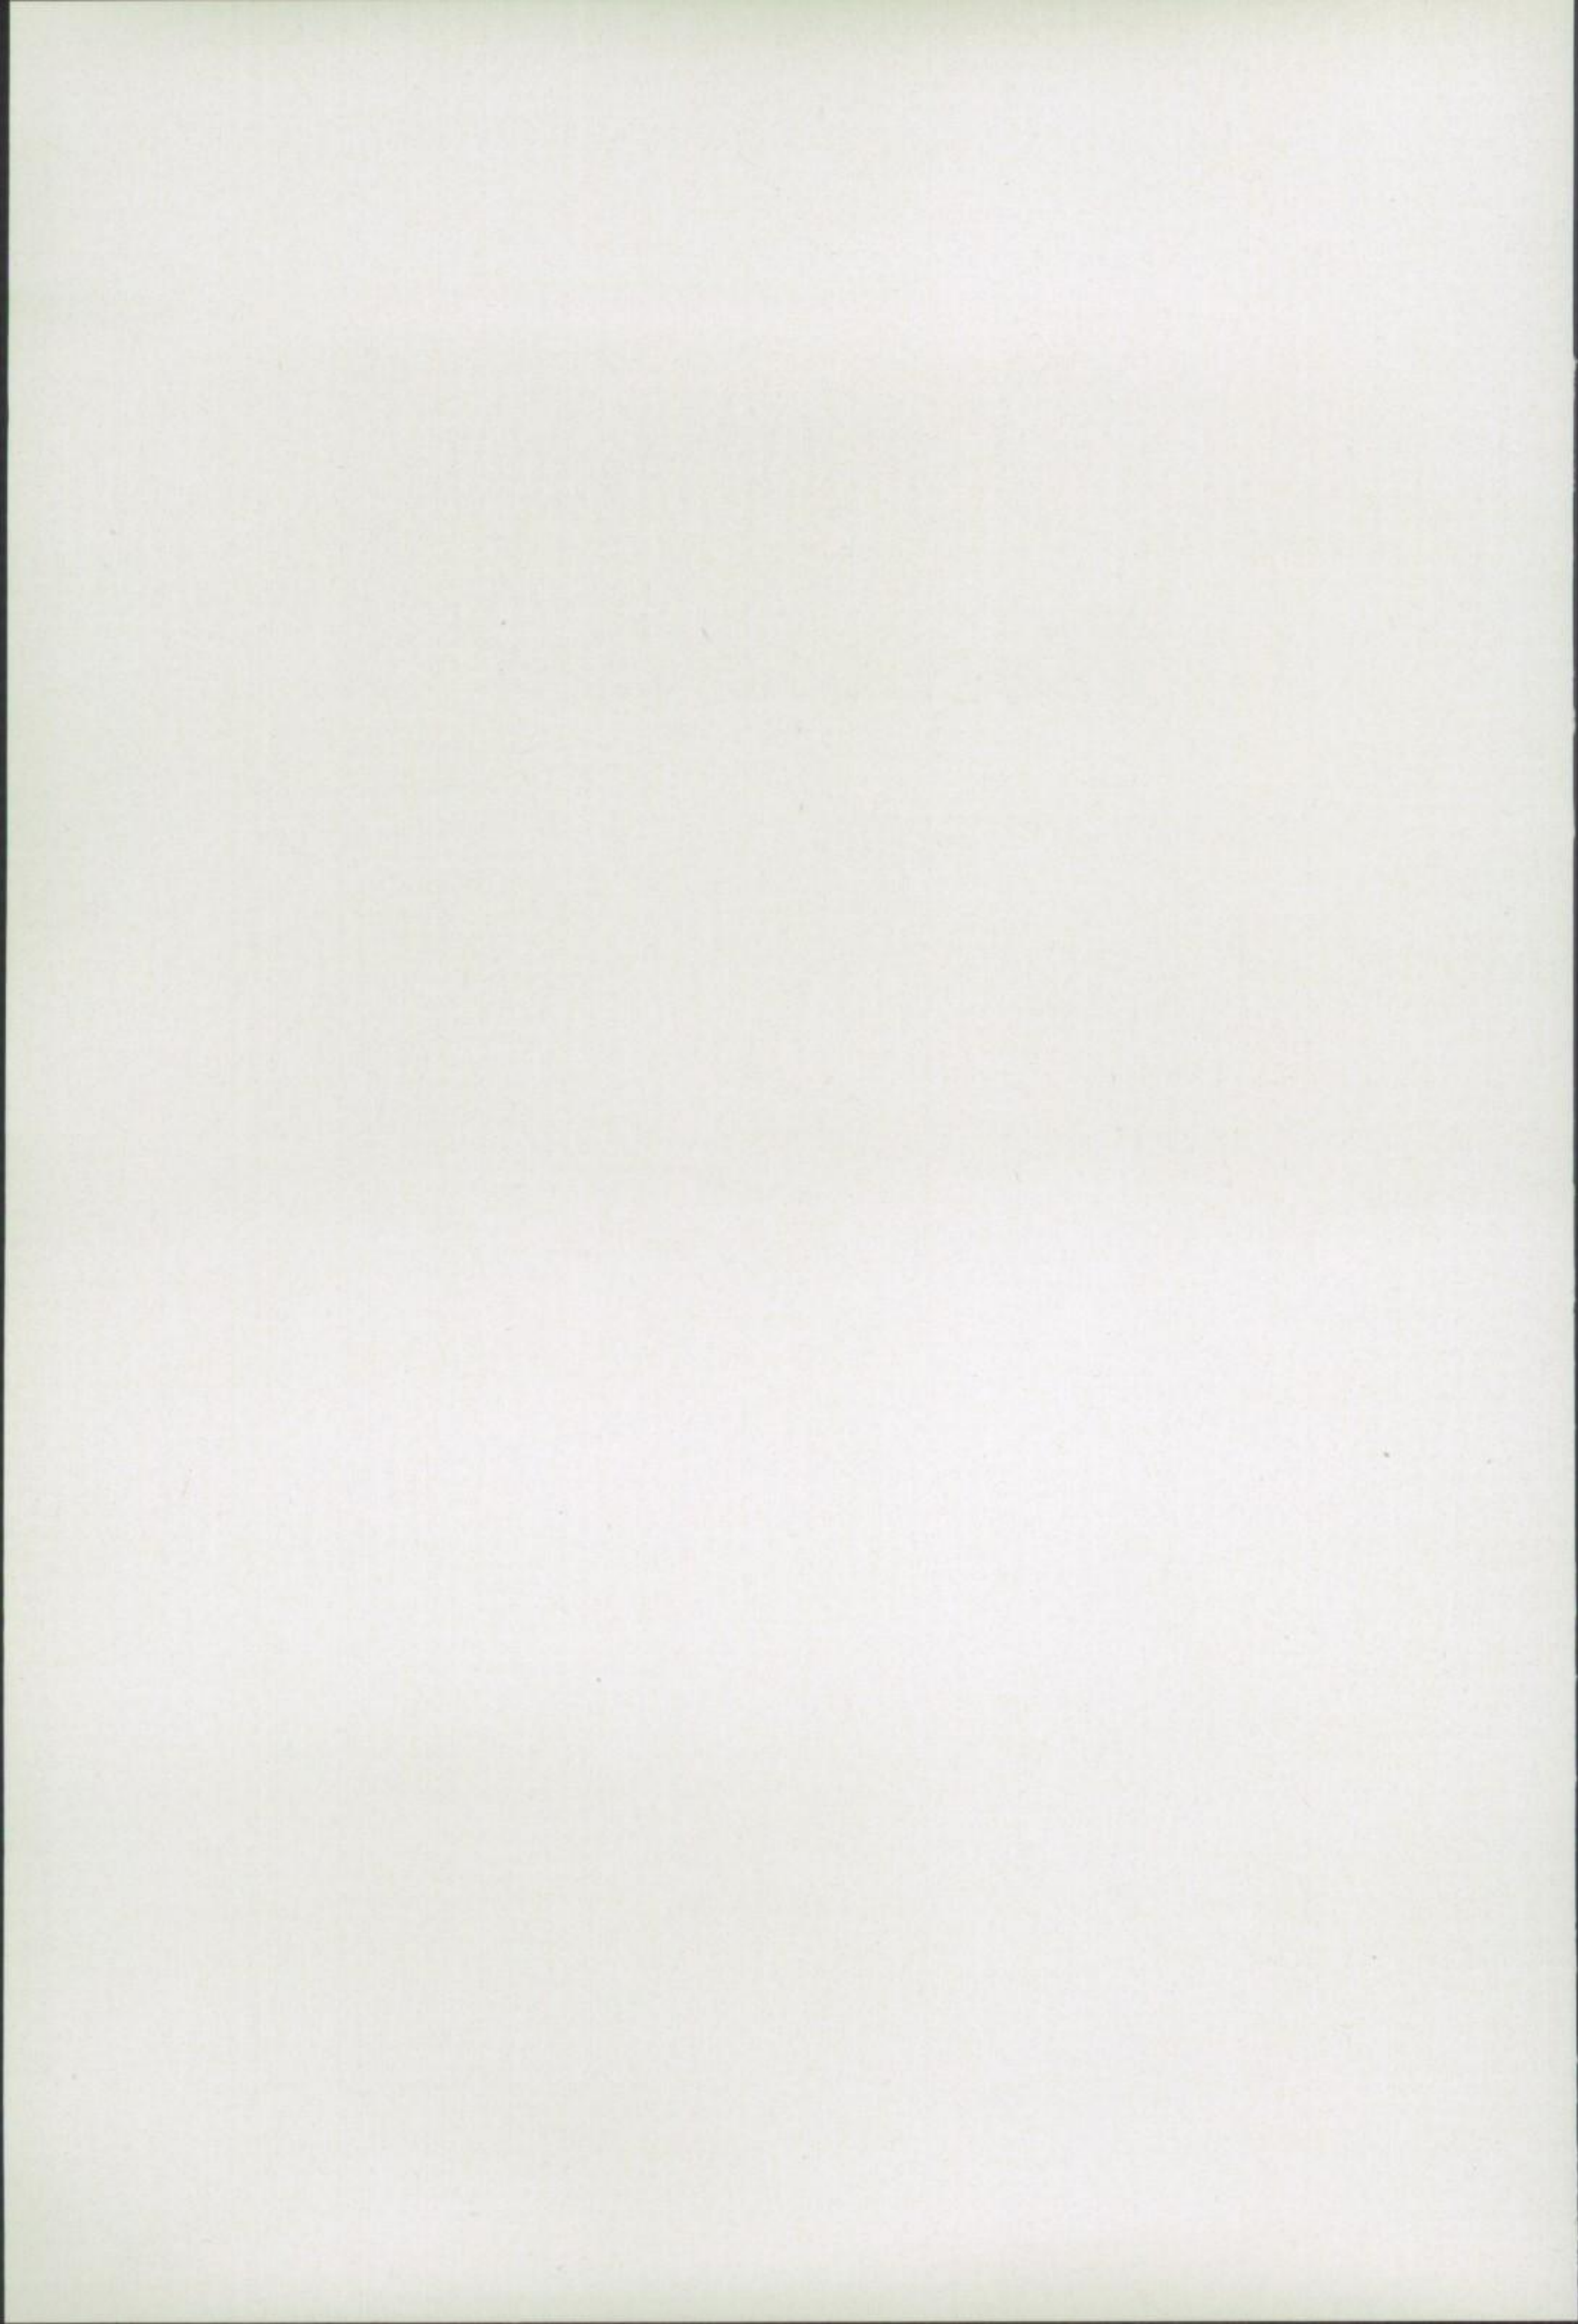

4. Time out.
5. Mr. Elias.

6. More Booster Spirit.
7. Don't they look good, though?
8. This was a SUCCESSFUL rally.

The LaVerne Olson Hi-Y Club was organized in 1923. When, after a short illness, LaVerne died, the Hi-Y presented a cup to the high school in his memory. This cup is awarded to a senior boy who, in the eyes of a selecting committee, has most nearly followed the pattern of LaVerne's life, which was filled with the ideal qualities of character. LaVerne Olson will long be remembered by the members of Pullman High School, and they will use his life as a pattern and a goal.
